Instructions

Applying for St. John's Outreach Awards

The St. John's Outreach Committee solicits award nominations from St. John's members in good standing. Eligible recipients are local non-profit social justice organization, for work in active representation, advocacy, and/or service.

Outreach grants and awards range from \$500 to \$2,500. St. John's partner organizations, prior Outreach awardees and split-the-plate recipients are eligible.

The St. John's member sponsor must not receive any direct benefit from the award. Those who work as paid employees for organizations are not eligible to apply for a "financial award" that supports general operations/salaries. However, they would be eligible to apply for "project grant" (such as to purchase equipment) from which they would not directly benefit.

In accord with the congregation's 2016 initiative, the committee will give priority to organizations working for racial justice. That priority is a way to encourage applicants to identify how organizations working on a range of issues, whether education, health, immigration, criminal justice, housing, poverty, environment or other, address the needs of marginalized persons of color.

E-mail the complete application of no more than four pages total to the Outreach Committee Chair at outreach@stjohnsuu.org by **March 15**.

Note: If you have no access to E-mail, please request a hard-copy form from the St John's office at 513-961-1938, and mail or deliver the completed form back to the St John's office, 320 Resor Ave, Cincinnati, OH 44220.
