

Nomination Form for 2024-2025
St. John's Outreach Award or Grant

(See p. 2 for Instructions)

Name of nominated organization:

Address:

Website:

Organization contact person:

Phone:

E-mail:

Name of St. John's sponsor:

Phone:

E-mail:

E-mail the complete application of no more than four pages to Committee Chair Ashley Carpenter, outreach@stjohnsuu.org, and return a hard copy to the Outreach Committee mailbox in the church office by Nov. 13, 2024.

Provide a one-paragraph description of the organization.

Describe the organization's work in active representation, advocacy, and/or service.

Describe either a specific project for which the organization is applying for a grant or describe the group's ongoing justice work that, in your opinion, deserves recognition with a financial award.

What is the grant amount the organization is requesting for a project or, what is the amount you are requesting for the organization in recognition of its existing justice work?

How might St. John's members be able to provide volunteer hours to the organization?

Date submitted

Justice Ministry 2024–2025 Outreach Awards and Grants Instructions

The St. John's Outreach Committee solicits nominations by Nov. 13 from a congregation member sponsor for a financial award or project grant to a local non-profit social justice organization for work in active representation, advocacy, and/or service.

Outreach grants and awards range from \$500 to \$2,000. St. John's partner organizations, prior Outreach awardees and split-the-plate recipients are eligible.

The St. John's member sponsor must not receive any direct benefit from the award. Those who work as paid employees for organizations would not directly benefit from an Outreach "project grant" (such as to purchase equipment) as they would from an Outreach "financial award" that supports general operations/salaries.

In accord with the congregation's 2016 initiative, the committee will give priority to organizations working for racial justice. That priority is a way to encourage applicants to identify how organizations working on a range of issues, whether education, health, immigration, criminal justice, housing, poverty, environment or other, address the needs of marginalized persons of color.

E-mail the complete application of no more than four pages to Committee Chair Ashley Carpenter, outreach@stjohnsuu.org, and return a hard copy to the Outreach Committee mailbox in the church office by Nov. 13, 2024.
